

## A Comparative Study on Bottom-Up/Top-Down Circular Economy

### OPT-OUT FORM

(to be completed after Participant Information Sheet has been read)

#### Taking Part

Please initial box

The purpose and details of this study have been explained to me. I understand that this study is designed to further scientific knowledge and that all procedures have been approved by the Loughborough University Ethics Approvals (Human Participants) Sub-Committee. I understand that the study intends to use publically available data posted on the community forum, potentially including content posted under my username.

☐

I have read and understood the information sheet and this opt-out form. I understand that taking part in the project will not require any direct activities of me apart from a potential validation step at the end of the study.

☐

I have had an opportunity to ask questions about my participation.

☐

Understanding the above, I wish to opt-out of this study and thereby confirm that I **DO NOT** wish to take part in it insofar as my public posts may not be included in the analysis.
